

Many well deserved congratulation to Helen for achieving a 'Highly Commended' certificate at the Scottish Civic Trust Awards ceremony in Glasgow, on 27th March 2014.

NOMINATED BY: Breadalbane Development Association

“ Margaret’s research project is a real labour of love. It is an astonishing achievement which has helped thousands of researchers, amateur and professional, worldwide. The website will have a real legacy, lasting many years, benefiting historical and social research in numerous different ways. ”

JUDGES' COMMENTS

Over the last eleven years, (Margaret) Helen as a Team Leader has been deeply involved in recording, documenting and publishing monumental inscriptions, both visible and buried, in a wide range of Moray graveyards and cemeteries, as a founding member of MBGRG. As stated on the poster: “The project has benefitted researchers and amateur historians from around the world. It is a tremendous voluntary effort which has a wide ranging heritage impact”.
